Zen Garden Timer

A mesmerizing way to mark the passage of time

Beautiful and unique design

Easy to use

Versatile - 4 different durations

How it works

1 Press the "+" or "-" button to set the timer duration - 1, 2, 3, or 4 minutes. The LED lights change to indicate the selected duration.

2 Press the "Start/Pause" button to start the timer. The ball moves beautifully across the sand to mark the time!

3 Press the "Start/Pause" button when the ball is moving to pause the timer. Press it again to restart it.

4 Press the "Reset" button when the timer is paused or finished to reset the timer.
